

VisiCom **WALL MOUNT KIT** 2101-0051

Introducing, the new lower-priced VisiCom Wall Mount Kit. Suitable for use in both new construction and retrofit, the Wall Mount Kit is compatible with all VisiCom models and adapts them to be mounted within a wall or cabinet.

Available with an optional central power supply, or, simply, plug the VisiCom unit's wall cube power supply into a nearby outlet.

The VisiCom Wall Mount Kit provides a secure mounting for any Transceiver so units don't wobble when a button is pressed, and the brushed stainless, laser-cut coverplate is sure to add prestige and pizzazz to any practice.

Mounting hardware included
