

VISICOM CUSTOM ID LABEL and PLASTIC OVERLAY REQUEST

Use the table below to enter the names of staff members who are to be paged as well as the room names (such as Sterilization, Lab, etc.). You may also fill in any letter (A to Z) or any number (1 to 26) to designate each person.

You should assign a number for each room, or VisiCom will assign sequential numbers starting with one. The Front Desk is typically assigned the special code **FD**. Note that if you select **numbers** to represent people, then rooms **must** be represented with **letters**.

Return this completed form to **customerservice@visicom.net**. If you have any questions, contact us by phone at **1-800-228-3400** Ext. 131. Once your request has been processed, you will receive a proof prior to printing.

The list on the left may include more than just people's names, you can use generic terms such as assistant or technician, or you can assign a button to signify a procedure or a provision. Several examples are shown at the bottom of this page.
